Blagrave's name, & his intended evidence had he been called before the Court Martial - should be intruded on Govt. - Remarks on an observation made by the Collr. that he unshrinkingly discharged his duty - and cannot see the "difficult and invidious position" in which he was placed, and with reference to a remark on a certain letter addressed to Dr. Stanborough, - & the Collr's intended enquiry on it, he conceives, it should be allowed to drop - as well as Mr. Bird's reply on the subject. - Holds it impossible that Govt. can approve of the letter originally addressed by Mr. Dowdeswell to the Post Master, - & which has given rise to this unpleasant discussion. - Recommends that this be communicated to Mr. D. - and that a copy of the order of Govt. be also furnished to the Collr. of Masulipatam - for reasons stated, suggests that further correspondence be peremptorily prohibited	Cd. to 8th Feby.
